BROOK TAVERNER
SINCE 1912

STOCK SUPPORTED

More and more end users are turning to stock supported corporatewear ranges - it's easy to see why:

- Brook Taverner Ltd holds stock to the value of £8.5 million
- No minimum order requirements - you only pay for what your business needs
- Tried and tested styles and fabrics - benefit from the optimum lifespan and value from your corporatewear
- Greater choice - mix and match collections with a market-leading range of sizes and fittings mean wearers can choose styles and colours which make them look and feel professional
- Save time - in stock means fast delivery and no minimum reorder quantities
- Save money - no fabric to underwrite and no garment stock to pay for up front or at the end of the contract
- Garments ultimately have a lower unit cost

BROOK TAVERNER CSR

Brook Taverner works with some of the best fabric mills in the world and ensures that all clothing is made in ethically sound factories. We strive to ensure that all fabrics used meet Oeko-Tex Standard 100 environmental requirements.

We make certain our supply chain commits to the ETI Base Code. This worldwide recognised code promotes respect for workers' rights and aims to ensure they are free from discrimination and exploitation & enjoy conditions of freedom, security and equality. Our factories undergo Sedex and SMETA audits on an annual basis to confirm that the ETI Base Code is being adhered to.

SHIRT & BLOUSE

A man with short brown hair and a light beard is shown from the waist up. He is wearing a white short-sleeved button-down shirt with two chest pockets and a dark blue necktie. He is also wearing dark trousers. He is looking off to the side with a slight smile. The background is a plain, light-colored wall. The text "CLASSIC FIT" is written in large, bold, white capital letters in the top right corner.

A man in a white dress shirt and tie, smiling and adjusting his belt, with the text "SLIM FIT" overlaid.

The Brook Taverner sizing guide is based on tailored fit garments.
Classic fit garments in the same size will fit more generously, with more ease.
Slim fit garments in the same size will fit closer to the body, with less ease.
The information provided is intended as a guide only and should not replace a full sizing excercise.
